

Bring your story to life through the magic of Business Audio Theatre, a new way to produce your audiobook. Actors voice the parts in the seminal scenes that tell your story - complete with sound effects and original musical score.

"This is 3-D audio, a cinematic experience for the ears!" – Matt Weinglass, Sherwood Players Productions

Improve recruitment, retention, and engagement as your stakeholders identify with you, your challenges, and your successes.

"Corporate storytelling is suggested to help demonstrate the importance of the corporate brand to internal and external stakeholders... as well as help a firm to bond with its employees."– Product & Brand Management

Brought to you by the *New York Times* Bestselling Authors, Founders of Barefoot Wines, and Audiobook Publishers Association 2020 Finalists for Top Business Audiobook.

"Transformational! Not just read to you but performed for you!" – Forbes

Your Business Audio Theatre production will be skillfully produced by world class business leaders, top Hollywood actors, and an award-winning team of writers, sound effects specialists, and music composers.

"Now your stakeholders can hear your company's story in a modern and entertaining way they will identify with, remember, and emulate!" – Michael Houlihan, Business Audio Theatre

Outstanding preboarding, onboarding, training, engaging, and brand building tool - easy to download - fun to experience!
